TIME TO CALL THE EXTERMINATOR

Mini-Mech: Exterminator launches from the Personal Space Invaders

Winter Park, Florida – Wednesday, February 2, 2011 – The Personal Space Invaders', highly anticipated title, *Mini-Mech: Exterminator*, shall be available to everyone wishing to smite some bugs tomorrow! Take control of Mini-Mech and dispense all sorts of comical violence upon the swarms of insects that have taken over the Hinders' household.

Lauded already by several great reviews, the game contains several key elements that bring it above the rest of the crop. Some highlights include:

- 14 expansive levels filled with hordes of enemies.
- 8 different enemy types that will serve to challenge and test your mettle as an exterminator.
- An assortment of weapons with which to cleanse the Hinders' home, each one being upgradeable for further devastation.
- Multiplayer support for up to 4 friends to take on the armies of insects.
- Every copy of the game will include a Mini-Mech bug spray to take on those pesky insects in real life too!

The team also previewed the release trailer for the game, including some footage of the various enemies in action, which showcased their different AIs and behaviors in front of Mini-Mech.

Mini-Mech: Exterminator is out tomorrow, Thursday, February 3, 2011 on PC and XBLA Arcade with a suggested price of \$14.99 for both mediums. For more information on the game, follow the development team on the [Mini-Mech Facebook Page](http://www.facebook.com/pages/Mini-Mech-Exterminator/136091156442152) (<http://www.facebook.com/pages/Mini-Mech-Exterminator/136091156442152>).

The Personal Space Invaders is one of two divisions within Snarky Studios, tasked with creating innovating games of excellence. The studio is composed of a diverse team of developers, artists and producers; all of which are devoted to creating the highest quality of entertainment games within their abilities.
